Objectives

- **DICE03 Lessons Learned**
- **DICE04 Approach for CPTRE Use & Milestones**
- **Roles & POCs**
- **Access & Training**
- **DICE 04 Goals**

UNCLASSIFIED

UNCLASSIFIED

Lessons Learned from DICE03

- **Must involve CPTRE data collection team from the beginning planning stages.**
- **Need to define data collection requirements early in the planning process.**
- **The DICE and CPTRE data collection processes need to be integrated.**
- **CPTRE enhancements are needed for certain tests, e.g., associations with 'systems' of equipment.**

UNCLASSIFIED

UNCLASSIFIED

DICE04 Approach for CPTRE Use & Milestones

- **MPC 9-12 Sept – all potential participants identified & entered into CPTRE**
- **FPC 4-7 Nov – all potential participating equipment specs entered into CPTRE & interfaces identified**
- **1 Dec – all data collection requirements finalized**
- **NLT 20 Dec 2003 – test strings entered into CPTRE & tests scheduled**
- **Jan-Feb 2004 – DICE exercise collect test results**
- **15 March 2004 – all DICE04 information validated in CPTRE**

UNCLASSIFIED

UNCLASSIFIED

Roles & POCs for CPTRE Use

- **DICE AOs – Oversee\Review inputs in CPTRE & validate test results**
- **DICE SMEs – Assist data collectors with initial equipment & test diagram inputs, and data collection activities**
- **Data Collectors – input equipment specifications, interfaces, string diagrams, and record test results in CPTRE**
- **CPTRE POC – available to assist with all aspects in the use of CPTRE and collect new requests or requirements from users for DICE 05.**

UNCLASSIFIED

UNCLASSIFIED

Access & Training

- **Demo test site available at:
FHUMSSG\CEPTRNET**
- **Login, with full last name and 1st initial (must be registered in CPTRE to access this account)**
- **Formal Training will be provided date TBD**
- **Actual data will be input to the DICE CPTRE database. URL to be provided at a later date**

UNCLASSIFIED

UNCLASSIFIED

DICE 04 Goals with CPTRE

- **Collect as much DICE data as possible**
- **Expand the understanding, visibility, and use of CPTRE within JITC**
- **Expand the amount of detailed data readily available in a searchable format to support warfighter needs & Hotline calls**
- **Reduce testing costs by identifying duplicate tests previously performed**
