MEMORANDUM FOR ACC/DOYG, ATTN: MR. MAJOR DAVIS

Subject: Interim Certificate to Operate (ICTO) for the AN/TYQ-23(v)3 Modular Control Equipment (MCE) software version 110.9

1. In accordance with the authority provided by the reference, the Interoperability Test Panel (ITP) concurs with your request for an Interim Certificate to Operate (ICTO) with respect to the AN/TYQ-23(v)3 Modular Control Equipment (MCE) software version 110.9. The ITP bases this concurrence upon your urgent operational requirement to field this system.

2. The ITP Chairman concurs with recommendations of the Joint Interoperability Test Command (JITC) and the ITP members, and grants an ICTO for use of the MCE software version 110.9 while completing interoperability certification testing. This ICTO is effective beginning 24 September 2004 and expires on 31 March 2005. The ITP is issuing this ICTO as an administrative extension to the MCE software version 110.9 dated 1 June 2004 that expired 30 September 2004.

3. If, at the end of this ICTO, MCE software version 110.9 has not been interoperability certified or the ITP has not granted an ICTO extension, the ITP will consider it as a candidate for removal from operational use.

4. JITC point of contact is Mr. Joe Peeples, DSN 354-2802, Commercial (301) 744-2802, fax (301) 744-2688, or email address: peeplesj@ncr.disa.mil.

A handwritten signature in black ink, appearing to read "B. P. Hamilton".

BRIAN P. HAMILTON
LTC, USA
Acting Chairman, Interoperability Test
Panel
